Are you new to Upward Bound and have no idea what to expect during weekly meetings? If your school has more than one meeting a week, you are only required to attend one a week. However, you CAN come to tutoring or homework help another day if you like. Every weekly meeting has basically three parts. You will have 45 minutes of homework time. During this time, you will have access to tutors that can help you in subjects that you struggle with or just answer a question you may have. The meeting will also have an announcement time where you will be reminded of upcoming events and important information. Lastly, each meeting will have a learning objective for students to complete. The themes for these lessons will change throughout the year. Subjects that may be covered are scholarships, study skills, ACT prep, etc. Meetings will last 90 minutes. At the end of the meeting, you will need to have your own transportation home. Transportation is **NOT** provided by UB. We look forward to seeing you at the first meeting of the year.
