Graduation Rate Survey: Four-Year Average of Student Right-To-Know Completion and Transfer Rate, 2010-2013 Student Cohorts

The following information is provided in compliance with the Student Right-to-Know Act of 1990. Each fall cohort includes first-time, full-time certificate- and degree-seeking students enrolled as of census date (end of the fourth week of the fall term). The graduation rates are based on 150 percent of time to certificate or degree. The transfer-out rates are based on data from the National Student Clearinghouse indicating students' enrollment at an institution subsequent to enrollment at MAC within the same 150% time frame. Categories are mutually exclusive; that is, if a student graduated and then transferred, they are only counted as a graduate.

***FTFTDS = First-Time, Full-Time, Degree-Seeking Students (Fall Terms Only)**

Students may not complete a degree within 150 percent of the prescribed time for many reasons. Some who begin as full-time students may become part-time students; others may transfer out to other institutions. Some students may leave college for one or more semesters. Also, a number of students are not counted because they had prior credit before enrolling.
