Now more than ever, small colleges are relying heavily on outside funding to purchase much needed equipment, take care of aging facilities, and even provide essential athletic scholarships to remain competitive.

Mineral Area College Athletics has a long rich history of competitive success on the court and academic success in the classroom.

## Overview

Mineral Area College touches the lives of thousands of students each year. Our educational programs foster academic achievement as well as personal growth.

The MAC Athletic Department strives to provide unique opportunities for student-athletes to excel and to prepare them for continued success after they graduate.

MAC teams compete for Region XVI championships every year. The latest teams to win Region XVI titles were the 2018 Women's Volleyball team and 2016-17 Women's Basketball.

MAC athletes are also committed to excellence in the classroom. This past year, 20 individuals earned national academic honors and the 2016-17 Men's Golf team was named

**Academic National Champions!**

The college has some of the finest athletic facilities of any two-year school in the country. We hope to strengthen our athletic teams through Cardinal Club memberships. Proceeds from this club are used to provide athletic scholarships and purchase equipment.

## Cardinal Club Mission

The mission of the MAC Cardinal Club is to provide supplementary financial support to all Mineral Area athletic teams, while promoting athletic and academic excellence in all student-athletes.
