

NOTICE OF ENTRANCE REQUIREMENTS

Paramedic Technology Program | Allied Health Department

Admissions

Apply to Mineral Area College and complete the Admissions process. The new or returning student applications can be accessed and completed online at: www.mineralarea.edu. It is the applicants' responsibility to have official high school and other college transcripts sent from the educational institution to the Admission Department at Mineral Area College.

Financial Aid

Complete a FASFA application online and submit required documentation to the Financial Aid office. For more information about financial aid, contact the Financial Aid office at (573) 518-2133.

Academic Test Scores

All paramedic applicants must complete academic testing according to the following minimum scores for the Accuplacer Next Generation: Writing 250, Math 250, and Reading 250. For testing information, practice testing and scheduling can be accessed online at www.mineralarea.edu or by calling the Assessment office at (573) 518-2202.

EMT Licensure

Applicants for the paramedic program must possess a valid EMT license or certification in good standing before the program begins.

Application

Students who meet the entrance requirements published herein must complete and submit a Paramedic Technology Program application including reference contacts, type written responses to the Application Questionnaire, and other required documents.

Deadlines

All academic testing and prerequisite courses must be complete by the paramedic application deadline. It is the applicant's responsibility to request official transcripts from other educational institutions and provide other required documentation.

Personal Interview

Once eligibility is established, paramedic applicants will be required to participate in a panel interview which will be scored.

Contingent Acceptance

Paramedic applicants who are selected into the paramedic program will be contingent upon meeting the following additional requirements as instructed in future correspondence following selection:

1. Proof of required vaccines
2. Physical Examination
3. Drug Screen
4. Background Check
5. CPR Certification
6. Flu Vaccine
7. Proof of EMT licensure
8. Identification documents
9. Other required forms
