"MAC's staff never hesitates to answer any questions to help students."

—Yancy M.

*At MAC*, you'll be supported by passionate instructors and dedicated advisors ready to help. Quality learning facilities, tutoring, and field trips bring learning to life and help you succeed. From advanced manufacturing labs to realistic simulators, MAC offers the hands-on learning opportunities you need to grow your skills.

Yancy graduated in May 2020 with an Associate of Arts. She plans to attend Saint Louis University to earn a bachelor's in art history. During her time at MAC, she was selected to create a painting of the Battle of Pilot Knob.
