# Nana's Naughty Knickers

Bridget and her grandmother are about to become roommates. However, what Bridget saw as a unique opportunity to stay with her favorite nana in New York for the summer quickly turns into an experience she'll never forget. It seems her sweet grandma is running an illegal boutique from her apartment, selling handmade naughty knickers to every senior citizen in the five-borough area! Will Bridget be able to handle all the excitement? Will her nana get arrested—or worse, evicted?
