

ASSOCIATE OF SCIENCE IN NURSING (RN)

for 2023-2024 Program

THE COLLEGE

Graduates of the Associate of Science in Nursing program are prepared to perform nursing services as a beginning practitioner inclusive of assessing the health status of individuals with more complex health problems; develop, modify and set goals for client care; delegate nursing responsibilities as team leaders; and evaluate and write revisions in the plan of care for clients with preventative and commonly occurring health problems.

Upon successful completion of the program, the graduate is eligible to apply to take the National Council Licensure Examination for Registered Nurses (NCLEX-RN).

Satisfactory achievement on the licensure exam will qualify the program graduate for licensure as a Registered Nurse (RN).

Successful completion of the program, however, does not guarantee eligibility to take the licensure exam or to become licensed.

Refer to Missouri Nursing Practice Act, Chap. 335.066

Mineral Area College is fully accredited by the Missouri Department of Education and the:

*North Central Association of Colleges and Secondary Schools Commission on Institutions of Higher Ed.
30 N. LaSalle Street, Suite 2400
Chicago, Illinois 60602
(800) 621-7440*

The Associate of Science in Nursing program has approval of the State Department of Education and has full approval of the Missouri State Board of Nursing.

Reasonable effort will be made to accommodate students with special needs, as addressed by the Americans with Disabilities Act. Please notify us if this publication is needed in an alternative format.

MINERAL AREA COLLEGE

Application to the nursing program along with the requirements in this publication must be submitted by noon March 15, 2023 deadline to the Allied Health Department at Mineral Area College.

Mineral Area College programs meet MDHE Core 42 guidelines. Courses are MOTRansfer guaranteed as indicated.

ASSOCIATE OF SCIENCE IN NURSING (RN)

for 2023-2024 Program

APPLICATION PROCESS

The application deadline for the nursing programs beginning August 2022, due noon March 15, 2023.

Assessment testing and prerequisite courses must be completed by the application deadline.

Submit the following documentation by deadline:

- Nursing application
- Application fee of \$20 per program applying to
- Accuplacer Next Generation academic test scores
- Official copies of dual credit and transfer transcripts

Selection is based on three (3) criteria:

- GPA calculated from prerequisite courses (50%)
- Assessment test scores (25%)
- Personal interview (25%).

A personal interview with program faculty is required and will be scheduled following the application deadline prior to selection.

All applicants accepted into the program are considered on conditional status pending:

- Submission of required citizenship documentation
- Completion of physical examination by a medical professional
- Passing a drug screen
- Passing a background check
- Compliance with immunization criteria
- Obtain Basic Life Support (BLS) Certification

Persons who do not meet the above requirements should contact the Director of the Allied Health Department or the Vocational Counselor at Mineral Area College.
