Advanced Placement Policy Update

Our Advanced Placement policy has been updated due to a change in legislation. The following policy is effective for Advanced Placement scores beginning the fall 2022 semester. This policy will replace our prior policy that was published on page 16 of the 2022-2024 college catalog.

Advanced Placement

MAC accepts advanced placement (AP) scores of 3 or higher for credit for the courses indicated below. A maximum of 30 semester hours of combined non-traditional (AP, CLEP, CBE, military, etc.) credit may be applied towards a MAC degree.

The grade on the transcript will be designated as “CR” for AP credit and the number of credit hours awarded will be designated on the student’s permanent record as accepted from AP. There is no assurance that credit awarded through advanced placement by MAC will be accepted by another institution of higher learning.

Students should request that the results of the AP exams be sent directly from the college Entrance Examination Board to MAC’s registrar.
