Summer is Fast Approaching

We are already beginning preparations for the summer program. There will be a few changes this year. We have been working hard to set up classrooms in the North College Center (NCC). Breakfast, lunch, and several classes that took place in the Arts and Sciences building will now be held in the NCC this year. Buses will also pickup and drop off at the NCC during the summer program.

As is tradition, current Upward Bound students will have a chance to select their summer mentor groups this year. Usually, that would happen at the May Saturday program, but unfortunately, there will not be a Saturday program in May this year. So, we are having summer group selections at the April Saturday program on April 13th. Please attend this very important Saturday program. Not only will students be taking the ACT and selecting summer groups, but they will also celebrate with our 2024 seniors as they approach graduation. If you are registered to test, please remember to bring a printed copy of your ACT ticket, a photo ID, pencils, and a calculator.

Every year, it seems the summer program is here before we know it. Our registration night is toward the end of May, so keep that date on your radar and remember to RSVP. Get ready for another amazing summer with Upward Bound.

The mission of Upward Bound at Mineral Area College is to serve eligible high school students by providing academic enrichment, cultural experiences, and a support network to ensure their success in attaining a four year college degree.

A Federally Funded Program

The Mineral Area College Upward Bound I program is a TRIO program funded with a five-year, \$374,221 per year grant from the U.S. Department of Education. This represents 100% of the program cost. Mineral Area College provides 25% of indirect costs to support the program.

The Mineral Area College Upward Bound II program is a TRIO program funded with a five-year, \$324,979 per year grant from the U.S. Department of Education. This represents 100% of the program cost. Mineral Area College provides a portion of indirect costs to support the program.

Upward Bound is one of five programs established by Congress to help low-income, first-generation students enter college and graduate. These programs are referred to as the TRIO programs.
