

# ASSOCIATE OF SCIENCE IN NURSING (RN)

## for 2027-2028 Program

### THE COLLEGE

Graduates of the Associate of Science in Nursing program are prepared to perform nursing services as a beginning practitioner inclusive of assessing the health status of individuals with more complex health problems; develop, modify and set goals for client care; delegate nursing responsibilities as team leaders; and evaluate and write revisions in the plan of care for clients with preventative and commonly occurring health problems.

Upon successful completion of the program, the graduate should be eligible to apply to take the National Council Licensure Examination for Registered Nurses (NCLEX-RN).

Successful completion of the program, however, does not guarantee eligibility to take the licensure exam or to become licensed.

*Refer to Missouri Nursing Practice Act, Chap. 335.066*

Satisfactory achievement on the licensure exam will qualify the program graduate for licensure as a Registered Nurse (RN).

Mineral Area College is fully accredited by the Missouri Department of Education and the:

*The Higher Learning Commission  
230 LaSalle Street, Suite 7-500  
Chicago, Illinois 60604-1411  
(800) 621-7440*

The Associate of Science in Nursing program has the approval of the State Department of Education and has full approval of the Missouri State Board of Nursing.

Reasonable efforts will be made to accommodate students with special needs, as addressed by the Americans with Disabilities Act. Please notify us if this publication is needed in an alternative format.

### MINERAL AREA COLLEGE

*Mineral Area College does not discriminate on the basis of race, color, national origin, gender identity, disability, age, religion, creed, sexual orientation, genetic and family medical history, or marital or parental status. For more information, contact the Human Resources Director, Title VI and VII, Title IX, Section 504, and ADA Coordinator at (573) 518-2378.*

### ENTRANCE REQUIREMENTS

1. Be a graduate of an approved high school or the equivalent as determined by appropriate accrediting agencies (i.e., GED and HiSET).
2. Have basic computer knowledge as evidenced by a high school or college computer course.
3. Test of Essential Academic Skills (TEAS) test score with the following minimum:

Minimum TEAS composite score accepted	
Proficient	58.7

4. Completion of the following courses, with a grade of C or above. Completed courses used for GPA selection:
    - ENG1330 [ENGL100] English Composition I
    - MAT1240 [MATH120] Quantitative Reasoning\*
    - BIO2600 Human Anatomy^
    - BIO2620 Human Physiology^
- Prerequisite courses must be completed by MAC's commencement in the spring semester of the application year.
5. Minimum grade point average (GPA) based on the four (4) prerequisite courses of:
    - 2.5 for the Associate of Nursing Program
  6. Successful general application and acceptance to Mineral Area College before the nursing application deadline.

**Application to the nursing program, along with the requirements in this publication, must be submitted by 3 pm on March 8, 2027 (deadline) to the Allied Health Department at Mineral Area College.**

*Mineral Area College programs meet MDHE Core 42 guidelines. Courses are MOTransfer guaranteed as indicated.*

# ASSOCIATE OF SCIENCE IN NURSING (RN)

## for 2027-2028 Program

### APPLICATION PROCESS

- 1) Apply to MAC and be accepted
- 2) Complete nursing application. Applications accepted from 08/24/26 until 3 pm on 03/08/2027
- 3) Request that official copies of dual credit and transfer transcripts be sent to MAC
- 4) Achieve a TEAS composite test score of proficient or higher

**TEAS test must be completed by MAC's spring commencement of the application year and must be no older than 2 years from this date.**

**^^ Selection is based on two (2) criteria:**

- GPA calculated from prerequisite courses
- TEAS composite test score

**All applicants accepted into the program are considered on conditional status pending:**

- Submission of required citizenship documentation
- Passing a drug screen
- Passing a background check
- Compliance with immunization criteria
- Obtain Basic Life Support (BLS) Certification (certified within the program)

*Persons who do not meet the above requirements should contact the Director of the Allied Health Department at Mineral Area College.*
