

EMERGENCY MEDICAL TECHNICIAN (EMT) CERTIFICATE PROGRAM

MINERAL AREA COLLEGE

THE COLLEGE

HLT 1762 Emergency Medical Technician - 12 credit hours. The EMT course is a one-semester course worth 12 credit hours, offered in the Spring, Summer, and Fall. Use the 'Course Search' in MyMAC to view available course dates, times, locations, and formats. Students should expect a rigorous schedule of learning, application, and preparation. In addition to classroom hours, students are required to complete additional hours in simulation and laboratory, clinical (hospital), field internship (ambulance), and other mandatory training. The EMT course schedule does not conform to the Mineral Area College academic calendar. Attendance on mornings, evenings, weekends, holidays, or times when the campus is closed may be required.

THE PROGRAM

The primary focus of the Emergency Medical Technician is to provide basic emergency medical care and transportation for critical and emergent patients who access the emergency medical system. This individual possesses the basic knowledge and skills necessary to provide patient care and transportation. EMTs function as part of a comprehensive EMS response team performing critical on-scene intervention.

PROGRAM PREREQUISITES

1. Successful general application and acceptance to Mineral Area College
2. You must have one of the following:
 - A minimum reading score of 18 on the ACT **or** 250 on Accuplacer Next Generation reading **or**
 - A minimum reading score of 16 on ACT **or** 240 on Accuplacer Next Generation reading, **AND** a 2.8 cumulative high school GPA **or**
 - A minimum grade of C in RDG0900, ENG0090 or ENG0990 **or** concurrent enrollment in RDG 0900 **or**
 - Have earned 24 college-level semester credit hours.
3. Students must be eighteen (18) years of age by completion of the program

REGISTRATION PROCESS

1. Register for the course on MyMac with MAC student ID.
2. A Pre-Course Requirements Packet will be emailed to the student's MAC email address. Students will be required to successfully pass a background check and drug screening. All of this information is covered in detail in the Pre-Course Requirements Packet.

CONTACT INFORMATION:

For more information on the Emergency Medical Technician program, please contact the Office of EMS Education Programs at (573) 518-2123.

ORIENTATION:

A **mandatory** orientation is held on the **first scheduled class day** for all sections. Any student not attending the **mandatory** orientation will be dropped from the class.

LICENSURE:

Successful completion of a comprehensive written and practical exam will prepare students for application for licensure by the Missouri Department of Health and Senior Services and application and examination for certification by the National Registry of EMTs. However, completion of HLT 1762 does not guarantee licensure/certification eligibility or success.
